Visit Yves Brayer Centenary Exhibition at the "Hotel De Porcelet" in Baux-de-Provence for an overview of this famous French painter's life...

Yves Brayer is one of France's most celebrated modern painters. Inspired of the late 19th century, he was able to capture the true character of his s a landscape near Les Baux-de-Provence or a still life.

His reasonably large volume of works is very diverse, for other than his re landscapes of the Provence, he would experiment with large canvasses an objects and compositions and was very eager to try any techniques availa artist...

A lover of Mediterranean landscapes, he frequently traveled through Moro and Italy, before setting his sights on the Camargue and the Provence.

The Yves Brayer Museum opened in 1991 and hosts a number of his oil pa watercolours and drawings, offering a wide overview of this artist's work.
